

Volunteers Needed for Huntington's Disease Research!

BEAUMONT
HOSPITAL

Trinity College Dublin
Coláiste na Tríonóide, Baile Átha Cliath
The University of Dublin

Huntington's Disease
Association of Ireland

Monkstown Hospital Foundation

Researchers at **Beaumont Hospital and Trinity College Dublin**, led by Professor Niall Pender and Professor Orla Hardiman, are seeking volunteers to participate in research into **Huntington's disease** in Ireland

**Please contact us if you are
> 18 yrs and fall into any of the following groups:**

1

First- and second-degree relatives of people with Huntington's disease

(Parents, siblings, children, uncles, aunts, nephews, neices, grandchildren, half-siblings)

2

People **WITH** the Huntington's disease gene, **at any stage**

3

Spouses / Caregivers of patients with Huntington's disease

4

Non-HD volunteers who are **NOT** related to anyone with Huntington's disease

(e.g.: Healthy Controls, Friends, carers, partners/spouses)

**Now Also
Seeking Healthy
Controls**

You may also be invited to participate in more detailed research involving an online neuropsychological assessment and a brief physical examination at a **later** date. These are **optional**, extra research items and will be discussed with you individually if you are interested and depending on suitability.
