

Commitment to Standards in Fundraising Practice

Huntington's Disease Association of Ireland (HDAI) is fully committed to achieving the standards contained within the Statement of Guiding Principles for Fundraising.

The Statement exists to:

- Improve fundraising practice
- Promote high levels of accountability and transparency by organisations fundraising from the public
- Provide clarity and assurances to donors and prospective donors about the organisations they support.

We at Huntington's Disease Association of Ireland (HDAI) have considered the Statement and believe we meet the standards set out. Where we have not complied with the Statement we have provided an explanation.

HDAI's report on our fundraising activities is available in our most recent Annual Report available online at <http://www.huntingtons.ie/content/about-us>
