

Huntington's Disease  
Association of Ireland

## Vision, Mission, Values and strategic objectives

### Vision

Our vision is for those impacted by Huntington's disease to live their best possible lives

### Mission

Our mission is to effect positive change for people impacted by Huntington's disease in Ireland by:

- Informing and supporting individuals and families impacted by Huntington's disease and providing information to their health and social care professionals
- Advocating for improved services

### Values

Our values include:

- Understanding - A commitment to a person and family centred approach by being mindful of the unique needs of each individual while recognising the impact of Huntington's on the entire family.
- Informative and Supportive – Providing reliable information, advocacy and support to empower people impacted by Huntington's disease to make informed choices. Promote an improved understanding of Huntington's disease among health and social care professionals and the wider community.
- Inclusive – Working respectfully, valuing diversity and avoiding any discrimination.
- Transparent – Carrying out our work in an open and accountable way

### Strategic objectives 2020 - 2025

- Promote a better understanding of Huntington's Disease
- Strengthen the Huntington's disease community in Ireland
- Advocate for Improved HD Services
- Ensure Sustainability
